Resurfacing – SH6 Richmond Deviation between the Richmond Link Roundabout and McGlashen Avenue

Dear Resident/Business Owner,

Roadworks in your area

On Monday 21 and Tuesday 22 February, Waka Kotahi will be resurfacing the Richmond Deviation between the Richmond Link Roundabout and McGlashen Avenue with a detour in place. This work forms part of our annual summer maintenance programme to keep our highways in good order and is in preparation for further safety improvements this construction season.

Work will be carried out between the hours of 9.00am and 4.00pm, with detours in place from 9.00am to 4.00pm on both Monday and Tuesday, unless the work can be completed on Monday. Detouring traffic provides a safe environment for road crews to complete the resurfacing.

This work is expected to take up to two days, and involves resurfacing of the existing road in a chip seal finish. Sweeping up of loose chip and line marking will follow the chip sealing and speed restrictions will remain in place until the line marking is completed.

We apologise for another change of the dates and the timing of this work, but due to yet another weekend of forecast wet weather the difficult decision has been made to undertake these works during the week rather than the weekend.

Detour route (see map attached)

All traffic will be diverted via Salisbury Road / Talbot Street / McGlashen Avenue between 9am and 4pm.

How will this work affect you?

While we always aim to do our work with as little disruption as possible, we know that roadworks can be a hassle due to noise from the machinery or access/parking restrictions. We apologise in advance for any inconvenience this may cause you.

Chip seal, bitumen and other road materials require time to fully settle after they are put in place, so please treat all new surfaces with extra care. Avoid excessive speed, sharp turns and heavy braking. All new roadworks are routinely monitored. For your safety, the safety of our road crews and to prevent damage to your vehicle, drive carefully and stick to the temporary speed limits that will be in place.

A big thank you from the Transport Agency

On behalf of Waka Kotahi, thank you in advance for your patience and understanding while we do this important work in your community.

If you have any questions about this work please contact:

Roger Ashworth, Ph: 021 843 153, email: Roger.Ashworth@nzta.govt.nz

If you would like to speak to someone while work is in progress, please contact:
Sealing Manager, Stewart Clouston. Ph: 0275 618 308, email: Stewart.Clouston@fultonhogan.com
